

SPEED PLATE PLUS

Engineered to protect against high energy bullets, our SPEED Plate Plus is ultra-light, multi-hit protective inserts that consistently delivers exceptional ballistic performance against a wide-range of "special threats" bullets. As a Stand-Alone plate, it provides additional stopping power along with a high degree of trauma reduction, equaling unparalleled ballistic protection.

- Designed specifically with the patrol officer and first responder in mind to provide advanced rifle threat protection with their existing vest system.
- Stand -Alone Multi-Hit rifle threat protection in an ultra thin, light-weight package.
- Designed specifically to defeat the most common rifle threats found on the street today (AR15/AK47)
- Multiple shapes and sizes to easily upgrade your current trauma plate protection.
- The Speed Plate PLUS takes armor protection to the next level.
